The Peace-of-Mind Solar Performance Plan

Offered by EIS Solar

POWERED BY OMNIDIAN

Activating and enjoying your new Solar Performance Plan is easy!

Here's what you can expect:

Omnidian Services Agreement Via DocuSign

- Look for an e-mail from Omnidian Activate via DocuSign and click to sign the agreement
- Omnidian will send the completed agreement
- Your introductory period of Omnidian service is included with your system.

At System Activation

1. Your Omnidian Solar Performance Plan will be automatically activated once your solar system is installed and starts generating energy. Omnidian will start monitoring your system 24/7 immediately.
2. Omnidian will conduct a rigorous 30-day test to certify your system's energy generation.
3. Omnidian will turn on your Cash-Back Energy Guarantee.

During Your Service Period

- Omnidian will send quarterly reports certifying the health of your system!
- Omnidian will detect system performance issues, notify you, and perform remote troubleshooting.
- EIS Solar will be alerted by Omnidian if your solar system requires service, which is 100% covered for all system parts and components — including wiring and inverters, and we will contact you to schedule the repair.
- Every year, Omnidian will pay you 10 cents per kWh for annual energy loss (minus credits for production over 100% of forecasted output)

After the Introductory Period

- Omnidian will notify you and you will have the option to continue coverage as a monthly subscription (currently \$9.99* per month).
- You may cancel at any time, for any reason!
- It's the peace-of-mind Solar Performance Plan from EIS Solar powered by Omnidian

*Monthly subscription for typical solar system (capacity up to 15 kWdc.) For larger systems: add \$2/month per 5 kWdc of additional capacity.
